Lasers in healthcare: a roadmapping event

Call for expressions of interest

The Health Technologies KTN, IMRCs and the Photonics KTN are pleased to present a Lasers in Healthcare roadmapping event, at TWI's headquarters, near Cambridge.

The event will be held between 9.00 and 16.30, on the 13th March 2008.

Discussions will be steered by four focus groups:

● **surgery** ● **imaging** ● **communications** ● **device fabrication**

A document summarising the output of the event will be produced and published on the Health Technologies KTN and the Photonics KTN websites.

To register your interest in this event please complete and return the form below, or email Jackie Brand (jackie.brand@twi.co.uk) with the relevant details.

Each person to return an expression of interest will receive an electronic pdf copy of the resulting roadmap and those interested in participating will have their application put before the selection committee.

Expression of Interest

Name _____

Phone Number _____

Company _____

Email address _____

I would like to receive an electronic copy of the Lasers in Healthcare Roadmap (Please tick)

I would like to participate in the roadmapping activity* – please see following note (Please tick)
